SECTION F VISITS AND CONFERENCES

F.1-F.149

This section documents Lonsdale's foreign and domestic travel, 1943-1971. It is arranged in chronological order.

F.1 Second Institute of Physics Conference on X-Ray Analysis in Industry, Cambridge, 9-10 April 1943.

Lonsdale spoke at this Conference on 'Thermal effects and allied phenomena'.

Programme; offprint of a report on the conference in *Nature*.

F.2, F.3 Colloquium on the Structure of Crystals and their X-Ray Diffraction Patterns, Institute for Advanced Studies, Dublin, Ireland, 14-27 July 1943.

See A.71 for related photographs.

F.2 Correspondence and papers *re* arrangements; two passport photographs of Lonsdale.

F.3 Letter of thanks to Lonsdale from Eamon de Valera, Prime Minister of Ireland, 9 August 1943.

F.4 Conference on X-Ray Analysis during the War Years, Institute of Physics X-Ray Analysis Group, July 1946.

Lonsdale is listed as a speaker on 'Thermal and other perturbations of crystal structures'.

Printed abstracts of conference papers.

F.5 Special Research Fellowship, National Institute of Health, Bethesda, Maryland, United States, January-July 1947.

Lonsdale spent six months in the United States during which time she travelled widely and lectured in numerous universities and research institutions.

3pp manuscript report by Lonsdale on the Fellowship.

Visits and Conferences

- F.6 Visit to Scandinavia, September 1948.
Lonsdale visited Norway, Sweden, Denmark and Finland to give lectures.
Correspondence *re* arrangements, with 1p index thereto, 1948.
- F.7-F.9 Conference on the Biological Hazards of Atomic Energy, Royal Institution, London, 20-21 October 1950.
Lonsdale was a member of the conference organising committee as well as a contributor to its discussions.
- F.7 Correspondence *re* arrangements, 1950; conference programme.
- F.8 Two 5pp manuscript drafts for lecture by Lonsdale.
- F.9 Manuscript background notes.
- F.10-F.12 World Tour, August-October 1954.
Lonsdale spent two months travelling round the world, giving lectures on various subjects including crystallography, science and religion, pacifism and the responsibilities of scientists. She visited India, Japan, Australia and New Zealand and spent several days in Canada on her return home.
- F.10 Correspondence *re* arrangements etc, 1954.
- F.11 *The Australian Friend*, October 1954.
This issue includes reports on Lonsdale's visit to Australia.
- F.12 Issues of the Japanese journal *X-Rays*, 1948, 1949.
- F.13 Invitations to visit Chile, during the 1955 Summer vacation (declined).
Letters to Lonsdale, 1954-1955.

Visits and Conferences

- F.14-F.27 Visit to China, August-September 1955.
- Lonsdale spent three weeks in China during which time she gave scientific lectures in Peking, Shenyang, Chancung, Nanking and Shanghai and met Chinese crystallographers, Christian leaders and Quakers. She also briefly visited the Soviet Union and Outer Mongolia.
- F.14 Letters sent by Lonsdale to her husband and H.J. Grenville-Wells during the visit, August 1955.
- F.15 General correspondence relating to the visit, 1955-1956; list of participants on the visit to China; itinerary.
- F.16-F.18 Diaries.
- Three small softback notebooks used by Lonsdale to record events during the visit.
- F.16 'China Diary I', 10-26 August 1955.
- Includes a short account of her stay in Moscow on the way to China.
- F.17 'China Diary II', 26 August-5 September 1955.
- F.18 'China Diary III', 5-13 September 1955.
- F.19 48pp annotated typescript of Lonsdale's diary.
- F.20 Softback notebook containing details of itinerary and notes on places visited. There are also names and signatures of various Chinese people at the back.
- F.21 Softback notebook containing lists of individuals, mostly Chinese scientists, Church leaders and officials. There are also names and signatures at the back and some intercalated material.
- F.22 Softback notepad, inscribed 'Notes' on the front cover, containing notes on places visited, including Peking Prison. There is a little loose intercalated material.

Visits and Conferences

- F.23 4pp manuscript draft of speech given by Lonsdale in China, n.d.
- F.24 Manuscript speech notes by Lonsdale entitled 'Science in China (Conway Hall, Red Lion Sq. 7.30) 19.10.1955'; manuscript notes, found therewith, *re* various visits in China, 18 August-3 September 1955.
- F.25 Memorabilia; manuscript notes etc.
- F.26 Duplicated typescript papers, circulated by the Friends Peace Committee, *re* a Society of Friends Mission to China, October, November 1955.
- F.27 Newspapers cuttings and printed background material relating to China, 1955.
- F.28-F.31 Joint Conference on Low Temperature Crystallography, Oxford, 12-13 April 1956.

This meeting was jointly arranged by the X-Ray Analysis Group of the Institute of Physics and the Low Temperature Group of the Physical Society.

Lonsdale spoke at the meeting on the 'Determination of Debye factors by intensity measurements of low temperatures'.
- F.28 Papers *re* arrangements, including duplicated typescript abstracts of papers, 1956.
- F.29, F.30 Correspondence and papers *re* Debye factors for urea, 1955-1956.

2 folders.
- F.31 Miscellaneous manuscript notes and calculations by Lonsdale, n.d.
- F.32 International Conference on Current Problems in Crystal Physics, Cambridge, Massachusetts, United States, 1-5 July 1957.

Lonsdale is listed as a speaker on 'Thermal vibrations of atoms and molecules in crystals'.

Printed programme and list of participants, 1957.

Visits and Conferences

- F.33 Symposium on Science and Society, University of London, 19 March 1958.

Lonsdale is listed as a speaker on 'The social place of scientists'.

Programme; 1p typescript notes.
- F.34 Visit to Norway, Sweden and Denmark, March-April 1958.

During this visit Lonsdale gave lectures on crystallography and also the interrelation of science, politics and religion.

Correspondence *re* arrangements, 1957-1958.
- F.35 Conference on Science in Schools, London, 17-18 April 1958.

This conference was held by the British Association for the Advancement of Science. Lonsdale spoke on 'The rôle of the Universities'.

Programme; 15pp annotated typescript.
- F.36 Second United Nations International Conference on the Peaceful Uses of Atomic Energy, Geneva, Switzerland, 1-13 September 1958.

Lonsdale attended this conference as an observer for the Friends' World Committee for Consultation.

International Affairs Reports from Quaker Workers 5, no. 26, October 1958.

This issue consists of a report by Lonsdale on the conference.
- F.37-F.43 Visit to the University of Cagliari, Sardinia, Italy, 30 November-6 December 1958.

Lonsdale made this visit on behalf of the British Council. During her stay she gave a series of four lectures which were subsequently published by the University of Cagliari.
- F.37 4pp manuscript report by Lonsdale on the visit.
- F.38 'Visit to Santulussurgiu, Sardinia. Kathleen Lonsdale. 3rd December, 1958', 3pp typescript report so entitled.

Visits and Conferences

- F.39-F.43 Drafts of lectures given during the visit.
- F.39 '1st Lecture Crystallography and other sciences', 7pp annotated typescript and 12pp typescript.
- F.40 '2nd Lecture Crystal Structure Analysis', 12pp manuscript and typescript draft, 13pp typescript.
- F.41 '3rd Lecture Neutron Diffraction by Crystals', 8pp manuscript and typescript draft, 11pp typescript.
- F.42 '4th Lecture X-Ray Studies of Diamond', 9pp manuscript and typescript draft, 8pp typescript.
- F.43 Manuscript and typescript draft legends for figures.
- F.44 Plaistow Grammar School Speech Day, London, March 1960.

Lonsdale gave an address and distributed prizes at the Speech Day.

Newspaper cutting; photograph. 1960.
- F.45 Prizegiving Ceremony at Kynaston School, St John's Wood, London, 27 September 1960.

Photograph of Lonsdale, sent with covering letter, 12 January 1961.
- F.46-F.56 Visit to Egypt, March-April 1961.

Lonsdale visited Egypt with H.J. Milledge for three weeks in the Spring of 1961 to advise and give lectures at the National Research Centre, Cairo. During this visit Lonsdale also represented the Royal Society at the Centenary Celebrations of the Institut d'Egypte, Cairo.
- F.46 Correspondence and papers *re* arrangements, 1959-1961.

Visits and Conferences

- F.47, F.48 Correspondence arising from the visit, 1961, 1963.
2 folders.
- F.49 7pp manuscript report by Lonsdale on Egyptian science and the Centenary Celebrations of the Institut d'Egypte, n.d.
- F.50 Papers *re* the Centenary Celebrations of the Institut d'Egypte, n.d.
- F.51 Papers *re* the National Research Centre, Cairo, n.d.

Includes 3pp manuscript draft and 3pp typescript by Lonsdale *re* the National Research Centre Library.
- F.52 Correspondence *re* visits by Egyptian research students to England, September-October 1961.
- F.53 Loose notebook pages, found together, containing manuscript notes by Lonsdale on various subjects including 'Temperature and other modifying factors included in the "Debye factor" ', n.d.
- F.54 Miscellaneous research notes and calculations by Lonsdale, n.d.
- F.55 'The Crystal Structure of 1.2. diphenylbenzene', 9pp typescript + figures by M.S. Farag and S.M. Salem, National Research Center, Cairo. Latest bibliographical reference 1960.
- F.56 Memorabilia from the visit etc, 1961.
- F.57-F.67 Visits to Egypt and India, December 1961-January 1962.

Lonsdale travelled to India in order to represent the British Association for the Advancement of Science at the 49th session of the Indian Science Congress in Cuttack, 3-9 January 1962. She travelled widely during her stay in India and gave several lectures, but unfortunately fell ill and had to spend a week in Breach Candy Nursing Home, Bombay before returning to England. /...

Visits and Conferences

- /... Lonsdale travelled to India via Egypt, where she spent ten days in late December visiting the National Research Centre, Cairo and touring with her family.
- F.57 Correspondence relating to Lonsdale's visit to Egypt, 1961-1962.
- F.58-F.60 Correspondence and papers *re* arrangements for the visit to India, 1961-1962.
3 folders.
- F.61 Indian Science Congress programme; invitation cards for events during the Congress.
- F.62-F.65 Correspondence arising from the visit to India, 1962.
4 folders.
- F.66 'Visit to India and Pakistan (28 December 1961-19 January 1962)' by D.C. Martin, Assistant Secretary, Royal Society, 7pp duplicated typescript + appendix, 30 January 1962.
- F.67 Miscellaneous manuscript notes relating to the visit; memorabilia etc.
- F.68-F.83 Visit to South Africa, June-July 1962.
The main purpose of this visit was to give a lecture on 'Thermal movements in solids' at the Golden Jubilee Celebration of the South African Chemical Institute, Johannesburg, 2-11 July. During the trip Lonsdale also took the opportunity to travel and give lectures in other parts of South Africa as well as Southern Rhodesia, Kenya and Uganda.
- F.68-F.72 Correspondence *re* arrangements etc, 1957, 1960-1962.
5 folders.
- F.73 Itineraries.

Visits and Conferences

- F.74 Printed abstracts of papers given at the Golden Jubilee Celebration of the South African Chemical Institute, 1962.
- F.75 Correspondence arising from the visit, 1962-1964.
- F.76, F.77 Drafts for publication of Lonsdale's lecture on 'Thermal movements in solids'.
- F.76 28pp incomplete typescript (annotated in places).
- F.77 26pp typescript + captions + appendix; annotated proof.
- F.78 4pp typescript notes entitled 'Introduction. Description and interpretation of X-ray data'; 17pp typescript notes entitled 'X-ray studies of diamonds and diamond \leftrightarrow graphite transitions'; graph. n.d.
- F.79 Two newspaper cuttings *re* Lonsdale's visit, June 1962.
- F.80, F.81 Printed and duplicated typescript material relating to the University of Witwatersrand, Johannesburg, 1957-1962.
2 folders.
- F.82 Printed and typescript material relating to South African Government policies, 1961-1962.
- F.83 Manuscript notes, memorabilia etc.
- F.84-F.87 Visit to the United States, 4-20 November 1962.

Lonsdale made this trip to deliver the main speech at the Pittsburgh Diffraction Conference, 7-9 November 1962. During her stay she travelled widely, giving lectures to numerous organisations and representing the University of London at the installation of a new President of Indiana University.
- F.84 Correspondence and papers *re* arrangements, 1962.

Visits and Conferences

- F.85 Letters sent to Lonsdale by H.J. Milledge during the trip, November 1962; correspondence arising from the visit, 1962-1963.
- F.86 List of conference participants.
- F.87 Memorabilia etc.
- F.88, F.89 19th International Congress of Pure and Applied Chemistry, London, 10-17 July 1963.

Lonsdale was involved in the organisation of this conference as a member of the Ladies Committee.
- F.88 Minutes of meetings of the Ladies Committee, 1962-1963; correspondence, 1963.
- F.89 Printed conference circular, 1963.
- F.90 Visit to Brown University, Rhode Island, United States, October 1963.

Correspondence relating to the visit, 1963.
- F.91 Institute of Physics and Physical Society Conference on 'Accuracy in X-ray analysis', Institution of Mechanical Engineers, London, 12-13 November 1964.

List of participants, 1964.
- F.92 Christmas Fair, Ilford Baptist Church, Essex, 5 December 1964.

Lonsdale opened the fair.

Letters and leaflet *re* arrangements, 1964.

Visits and Conferences

- F.93-F.125 World Tour, July-September 1965.
- In mid-July Lonsdale travelled to New Zealand at the invitation of its University Grants Committee and spent three weeks visiting the main universities as a Commonwealth Prestige Fellow. In early August she moved on to Australia, where she presided at the International Conference on Electron Diffraction and Crystal Defects, Melbourne, 16-21 August. Lonsdale spent over a month in Australia during which time she travelled widely and gave numerous lectures.
- In early September Lonsdale spent a couple of days in Mexico to give three lectures arranged by the British Council. She then visited the United States for about a week before returning home to England.
- F.93 General correspondence and papers relating to the tour, 1964-1965.
- F.94 Letters to Lonsdale from members of the Society of Friends in Australia and New Zealand, 1959-1964.
- This material was found together in a folder inscribed 'Friends' Letters'.
- F.95-F.97 General correspondence and papers *re* arrangements for the visit to New Zealand, 1964-1965.
- This material consists largely of correspondence with the University Grants Committee of New Zealand.
- 3 folders.
- F.98-F.102 Correspondence *re* the visit to New Zealand, arranged by city.
- F.98 'Auckland', 1964-1965.
- F.99 'Christchurch', 1965.
- F.100 'Dunedin', 1965.
- F.101 'Hamilton', 1965.

Visits and Conferences

- F.102 'Wellington', 1965.
- F.103-F.105 General correspondence *re* arrangements for the visit to Australia, 1964-1965.
3 folders.
- F.106-F.112 Correspondence *re* arrangements for the visit to Australia, arranged by city or state.
- F.106 'Adelaide', 1965.
- F.107 'Brisbane', 1965.
- F.108 'Canberra', 1965.
- F.109, F.110 'Melbourne', 1965.
Includes correspondence *re* the International Conference on Electron Diffraction and Crystal Defects.
2 folders.
- F.111 'New South Wales', 1964-1965.
- F.112 'Perth', 1953, 1965.
Mostly correspondence *re* arrangements.
- F.113-F.117 Papers relating to the International Conference on Electron Diffraction and Crystal Defects, Melbourne, 16-21 August 1965.
- F.113 Conference circulars and handbook, 1964-1965.
- F.114 Invitations to Conference social events, conference papers etc, 1965.

Visits and Conferences

- F.115 'The defect mechanism of an organic single-crystal chemical reaction', manuscript and typescript drafts so titled of an abstract of lecture by Lonsdale and J.F. Stephens.
- F.116 Correspondence with J.F. Stephens, 1965.
- F.117 Manuscript notes by Lonsdale for a speech as President of the Conference.
- F.118 Correspondence arising from the visit to Australia, 1965-1966.
Includes 4pp typescript by S. Addison *re* his recollections of Sir William Bragg.
- F.119 Correspondence and papers *re* a television interview of Lonsdale for the Australian Broadcasting Commission, 1965.
Includes 7pp duplicated transcript of the interview.
- F.120 'The moral responsibility of the scientist', 27pp annotated typescript so titled.
- F.121 'Crystals', 9pp typescript for a speech by Lonsdale so titled.

'Crystallography', 6pp manuscript draft speech by Lonsdale so titled.
- F.122-F.124 Correspondence and papers *re* arrangements for the visits to Mexico and the United States, 1965.

3 folders.
- F.125 Correspondence arising from the visit, 1965.
- F.125A International Congress of Crystallographers, Moscow, 12-21 July 1966.

Lonsdale attended as President.

Brief correspondence etc *re* arrangements, 1966; a few letters *re* an earlier visit to the USSR, 1959.

Visits and Conferences

- F.126 Conference on Science and Human Potentiality, St George's House, Windsor Castle, Berkshire, 9-11 December 1967.
- Lists of participants; 3pp duplicated typescript précis of talk by Sir Lawrence Bragg; etc. 1967.
- F.127-F.133 Visit to United States, December 1967-January 1968.
- Lonsdale made this trip to give a major address at the Annual Meeting of the American Association for the Advancement of Science, New York, 26-31 December 1967. She also took the opportunity during her stay to visit friends and give a number of lectures in other parts of the United States.
- F.127-F.131 Correspondence and papers *re* arrangements etc, 1967, 1968, and arising, 1969, 1970.
- 5 folders.
- F.132 5pp typescript summary of Lonsdale's lecture on 'Studies of Human Stones' for the meeting of the American Association for the Advancement of Science; 20pp carbon copy typescript of the lecture.
- F.133 Memorabilia.
- F.134-F.136 Conference on Science and Human Personality, St George's House, Windsor Castle, Berkshire, 6-7 December 1968.
- F.134 Papers *re* arrangements etc, 1968.
- F.135 Summaries of conference papers; manuscript notes by Lonsdale. N.d.
- F.136 10pp duplicated typescript summary of conference discussions.
- F.137-F.139 Visit to the United States, August-December 1969.
- Lonsdale spent three months in the United States as Distinguished Visiting Professor in Mineralogy at Ohio State University.

Visits and Conferences

- F.137, F.138 Correspondence *re* arrangements for the visit etc, 1968-1969.
2 folders.
- F.139 Manuscript notes for a lecture by Lonsdale entitled 'Crystals from mine, sky, lab^y & man (Ohio State Univ. Nov. 18 1969)'.
- F.140, F.141 Conference on 'The Old Theology and the New World', St George's House, Windsor Castle, Berkshire, 5-7 December 1969.
- F.140 Papers *re* arrangements; photocopy of conference paper; manuscript notes by Lonsdale. 1969.
- F.141 12pp duplicated typescript summary of conference discussions.
- F.142-F.144 Visit to the United States, May-June 1970.

Lonsdale travelled widely during this visit, which included a lengthy stay at Harvard University.
- F.142, F.143 Correspondence and papers *re* arrangements, 1970.
2 folders.
- F.144 Manuscript notes for lectures by Lonsdale, including 7pp entitled 'Aging Harvard May 28, 1970'.
- F.145-F.147 Conference on 'Aggression in Man', St George's House, Windsor Castle, Berkshire, 1-3 January 1971.
- F.145 Papers *re* arrangements, 1970.
- F.146 Conference papers.
- F.147 19pp duplicated typescript summary of conference discussions.

Visits and Conferences

F.148 Meeting of British and American scientists on issues relating to atomic energy and weapons (date unknown).

Lonsdale was a participant at this meeting which appears to have taken place during the early 1950s.

'Conference with the Federation of American Scientists', 4pp typescript report so entitled, n.d.

F.149 Visit to Woodford County High School, Essex (date unknown).

Three photographs taken during the visit, featuring Lonsdale, n.d.
